Diversity

All costumes welcome! The wackier the better! (Except those that poke fun at or impersonate people, places, things, or ideas.)

Open Borders

Come join the party through the open door, or climb in through a window. Not advisable to dig through in a tunnel.

Alternative Energy

Flowing drinks, endless sugar and loud rocking music generate enough energy to keep the Purim Party going all night long.

Aid Packages

Mishloach Manos gift packages and Matanos L'evyonim money given out throughout the day, promoting peace, friendship, and sugar highs for all.

NOT RIGHT. NOT LEFT. JUST WOBBLY!
