

How To Play

1. Print out a set of Fiveish cards and cut each one out. Each Fiveish card has a category on it.
2. Take turns in a clockwise direction. On your turn, draw a card and read the category out loud.
3. You have 5-ish seconds (we'll give you an extra second or two—because we're nice like that!) to “Gimme 5” items that fit the category.
4. If you succeed, you keep the card; if not, return it to the pile.
5. Continue around the circle until all cards are gone or time runs out.
6. The player with the most cards at the end wins!
